Description

Nimbus 405 Coupe

Powered by Twin Volvo Penta D4-320 (640 hp) engines with additional engine options available. Price is for standard boat + options.

The Nimbus 405 Flybridge made her premiere appearance at the Stockholm Boat Show "Allt för Sjön" on the 28th of February. The new model is based on the 405 Coupé flagship with "sidewalk". The 405 Flybridge is a Nimbus Coupé model built for knowledgeable boating people who enjoy social activities comfortable living quarters ease-of-handling and excellent long-distance cruising properties.

Passion And Love For Boating 1968.

It started in the early seventies when Volvo Penta needed a new kind of boat to suit their newly developed engine. An innovative group of people quickly seized the opportunity to create a new kind of boat for the social lifestyle. The Nimbus 26 was born and along with it a company that would become one of Europe's most renowned boat manufacturers. The company's history is a true success story, a tale of innovation, perfect timing and survival. But most of all a story about people who know about boats and their passion and love for boating. A story still being told.
